Dear Mr Moreno

**Tarrawonga Coal Project (PA11_0047)
Water Management Plan**

I refer to the Water Management Plan submitted in accordance with Condition 39 of Schedule 3 of the Project Approval for the Tarrawonga Coal Project (PA11_0047).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

Accordingly, the Planning Secretary has approved the Water Management Plan (Edition 3, Revision 3, dated September 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please note that the requirements of the previous Water Management Plan conditional approval dated 17 June 2020 still require the revision of the Water Management Plan within 3 months from the date of the next project modification approval.

If you wish to discuss the matter further, please contact Wayne Jones on 6575 3406.

Yours sincerely

Stephen O'Donoghue
