Dear Mr. Dwyer

Thank you for submitting the revised BTM Blast Management Strategy in accordance with Condition 19, Schedule 3 of the consent for the Tarrawonga Coal Expansion (MP11_0047-PA-75).

I note the BTM Blast Management Strategy has been revised consistent with the Department's approved Maules Creek Coal (MP10_0138) BTM Blast Management Strategy.

Accordingly, as nominee of the Planning Secretary, I approve the revised BTM Blast Management Strategy (Rev 05, April 2024).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.
