**Tarrawonga Coal Expansion – Blast Management Plan**

Dear Mr. Dwyer

Thank you for submitting the Blast Management Plan for a review in accordance with Condition 21, Schedule 3 of the consent for the Tarrawonga Coal Expansion (MP11\_0047-PA-86).

I note the Blast Management Plan was updated to align with the corporate Management Plan template and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Blast Management Plan (Rev 3.0, June 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
