This architectural section drawing illustrates a multi-story building with a carpark entry. The drawing is oriented horizontally, with the building's facade facing right. The carpark entry is located at the bottom center, labeled "CARPARK ENTRY". The building's facade features a series of vertical elements, including glass panels (GL) and aluminum louvers (AL). The drawing includes a key at the bottom right, which defines the symbols used: AL for ALUMINIUM LOURVES, FN for FENCE, and GL for GLASS. The drawing also includes a grid of vertical lines at the top, numbered 1 through 14, and a grid of horizontal lines on the left, numbered 1 through 5. The building's structure is shown in a cross-section, revealing internal spaces and structural elements. The drawing is a technical representation of a building's design, showing the relationship between the building's facade, internal spaces, and the carpark entry.
