Blast Management Plan for Northparkes Extension Project (MP11_0060)

Dear Mr. Higgins

I refer to the Blast Management Plan (Revision 9, dated August 2022) submitted to the Department of Planning and Environment (the Department) as required under the conditions of approval for the Northparkes Extension Project. I also acknowledge your response to the Department's review comments.

I note the Blast Management Plan has been:

- Prepared in consultation with the Environment Protection Authority;
- Reviewed by CMOC Mining and no issues have been raised with the Department; and
- Contain the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Blast Management Plan (Revision 9, dated August 2022).

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Brittany Golding on 02 9995 5742.

Yours sincerely
