Subject: Central park after hours work

Hi there,

I am concerned that this noise will interfere with our sleep and living pattern, we all ready have enough noise in Chippendale with the large amount of traffic passing through Chippendale 24/7. We have the electricity department digging up the roads in the night.. Boral cement trucks lining up in the streets with there motors running...All day.taking up parking spaces .. give us some peace we have been here alot longer than central park why should the residents have to put up with this noise.....24/7..

Regards

Kerry Coelho.
