Molong Battery Energy Storage System (SSD-80471210) – EIS exhibition

Dear Ms Hatem,

Thank you for your Major Projects Planning Portal referral dated 21 November 2025, requesting WaterNSW's advice in relation to the Environmental Impact Statement (EIS) for the above proposal. It is understood that the proposal is for the development, construction, operation, and eventual decommissioning of a Battery Energy Storage System and associated infrastructure.

WaterNSW has reviewed the EIS and notes that the subject site is not located close to any WaterNSW land or assets. As such, we have no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of developments that may impact on our land, assets, or infrastructure, using the email address Environmental.Assessments@waterNSW.com.au.

If you have any questions regarding this letter, please contact Justine Clarke at justine.clarke@waterNSW.com.au.

Yours sincerely,
