**MP07_0020-Mod-4, Advice on Modification Report - Blakebrook Quarry, Lot 53/-
/DP1254990, 550 Nimbin Road Blakebrook**

Thank you for referring the abovementioned Development Application to Transport for NSW (TfNSW) on 02 December 2025 for Environmental Planning and Assessment Regulation 2021, Section 56(2)(b)(i)

TfNSW key interests are the safety and efficiency of the transport network, the needs of our customers and the integration of land use and transport in accordance with the [Connecting NSW Strategy](#).

Nimbin Road (MR142) is a classified (Regional) road. Council is the roads authority for this road and all other public roads in the area, in accordance with Section 7 of the *Roads Act 1993*.

TfNSW has reviewed the referred information and provides the following comments to assist the consent authority in making a determination:

1. The project proposes two daily heavy-vehicle peaks around 6–7 AM and 6–7 PM and the ability to operate overnight. The TIA does not assess night-time safety.
2. It is recommended school bus windows are avoided on Nimbin Road, where practicable, in the Driver Code of Conduct

Should you require further information please contact Kane Hitchcock, Development Services Case Officer, on 1300 207 783 or by emailing development.north@transport.nsw.gov.au.

Yours faithfully
