Submissions Report - Tilbuster 2 Solar Farm (SSD-69799460)

Dear Ms Hatem,

Thank you for your Major Projects Planning Portal referral inviting WaterNSW to provide advice on the Submissions Report for the Tilbuster 2 Solar Farm (SSD-69799460).

In our submission to the Environmental Impact Statement, WaterNSW noted that the proposal area is not located near any WaterNSW land, assets or infrastructure and raised no specific requirements regarding any potential impacts on these assets. However, we do note the proponent's addition of a mitigation measure to consult with WaterNSW if extraction of water from existing or new groundwater bores is required for the proposal, or if development will impact on WaterNSW assets, infrastructure or land. We accept this inclusion.

WaterNSW requests that the Department continues to consult with us on any development that may impact on our land, assets, or infrastructure, by emailing Environmental.Assessments@waternsw.com.au.

If you have any questions regarding this letter, please contact Justine Clarke at justine.clarke@waternsw.com.au.

Yours sincerely,
