Advice on Modification Report for Bengalla Mine at Bengalla Road Muswellbrook

I refer to the abovementioned State Significant Development Application referred to Transport for NSW (TfNSW) on 04 December 2025 for comment in accordance with section 56 (2)(b)(i) of Environmental Planning & Assessment Regulation 2021.

TfNSW key interests are the safety and efficiency of the transport network, the needs of our customers and the integration of land use and transport in accordance with the [Connecting NSW Strategy](#).

Denman Road (MR209) is a classified (State) road and Bengalla Road is a local road listed for reclassification to a State Road. Council is the roads authority for both roads and all other public roads in the area, in accordance with Section 7 of the *Roads Act 1993*.

TfNSW has reviewed the Bengalla Mine Modification 8 Modification Report and has no requirements for the proposed development.

Should you require further information please contact Kane Hitchcock, Development Services Case Officer, on 1300 207 783 or by emailing development.north@transport.nsw.gov.au.

Yours faithfully

Liz Smith
