PROJECT: FORBES SOLAR FARM – SSD-72383210

Dear Rita Hatem,

Thank you for your e-mail (dated 20 January 2026) inviting Subsidence Advisory to provide comment on the EIS for the Forbes Solar Farm.

In accordance with the *Coal Mine Subsidence Compensation Act 2017* (the Act), Subsidence Advisory NSW regulates development within mine subsidence districts to help protect homes, buildings and infrastructure from potential subsidence damage.

The site of the proposal is not within a declared Mine Subsidence District and not within an exploration or mining lease relating to coal. Consultation or approval from Subsidence Advisory NSW is not required for any proposed development at this location under the Act.

Please note Mine Subsidence Districts may change over time. All changes are published on the NSW Planning Portal. For more information, please visit www.nsw.gov.au/subsidence-advisory/districts.

If you have any further questions, please contact our office on (02) 4908 4300.

Kind Regards
