Subject: Keri Keri Wind Farm - SSD-38358962 - RTS & Amendment Report

Dear Jess Watson,

I refer to your request for advice sent on 20 January 2026 to the NSW Department of Climate Change, Energy, the Environment and Water (DCCEEW) Water Group about the above matter.

NSW DCCEEW Water Group has reviewed the RTS & Amendment Report and notes the proponent has not responded to DCCEEW Water Group's submission on the EIS (ref: OUT24/9086 dated 28 June 2024). Therefore, DPHI should seek a response from the proponent to DCCEEW Water Group's EIS submission. No additional issues have been identified in the Amendment Report.

Should you have any further queries in relation to this submission please do not hesitate to contact the Water Assessments team at water.assessments@dcceew.nsw.gov.au.

Yours sincerely
