Mixed-use residential and commercial development (SSD-77458970) – EIS exhibition

Dear Mr Shakir,

Thank you for your Major Projects Planning Portal referral dated 2 February 2026, requesting WaterNSW's advice in relation to the Environmental Impact Statement (EIS) for the above project.

WaterNSW has reviewed the EIS and notes that the subject site is not located close to any WaterNSW land or assets. As such, WaterNSW has no comments or particular requirements.

WaterNSW requests that the Department continues to notify us of developments that may impact on our land, assets, or infrastructure, using the email address Environmental.Assessments@waternsw.com.au.

If you have any questions regarding this letter, please contact Justine Clarke at justine.clarke@waternsw.com.au.

Yours sincerely,
