SSD-41743746-Mod-2- Yanco Delta Wind Farm Mod 2- Worker accommodation facilities and infrastructure changes

Dear Gabrielle,

Transport for NSW (TfNSW) is responding to the SSD-41743746 Yanco Delta Wind Farm Mod 2 exhibited from 25 February 2026 to 25 March 2026 and referred to TfNSW via the Major Projects Portal.

TfNSW has reviewed the Appendix H- Revised Traffic and Transport Impact Assessment for Yanco Delta Wind Farm Modification 2 prepared by Aurecon and the other relevant documentations referred to TfNSW, in preparation for this response.

The information provided in the Appendix H- Revised Traffic and Transport Impact Assessment for Yanco Delta Wind Farm Modification 2 does not adequately address the projects proportionate impacts to the state road network that are generated by the proposed changes to the project as part of this modification. TfNSW requests further information to address TfNSW comments that are raised within Attachment 1- Yanco Delta Wind Farm request for further information register.

TfNSW requests that the Appendix H- Revised Traffic and Transport Impact Assessment for Yanco Delta Wind Farm Modification 2 prepared by Aurecon is revised and includes track changes to assist TfNSW with the next review.

Strategic concept designs are referenced within this attachment and must be prepared in accordance with [TfNSW Strategic design requirements for DAs factsheet](#) and must be included within the revised Traffic and Transport Impact Assessment.

On request, TfNSW can meet with DPHI and the Applicant to discuss the information in **Attachment 1**. If you have any questions phone 1300 019 680 or email development.renewables@transport.nsw.gov.au

Yours sincerely,
