Dear Mr Glasgow

Thank you for the request for advice from Public Authority Consultation (PAE-1096), requesting the NSW Environment Protection Authority's (EPA) comments on the Response to Submissions Report for the Adaptive reuse of the Royal Hall of Industries (SSD-9726) (the proposal).

The proposal is for:

- Adaptive re-use of the heritage-listed Royal Hall of Industries building
- Construction of a two-storey sports building

In its letter dated 1 August 2018 (reference DOC19/593371-3) the EPA noted that:

- the proposal is not being undertaken by or on behalf of a NSW public authority;
- the proposal does not require an Environment Protection Licence under the *Protection of the Environment Operations Act 1997*;
- the EPA is not the appropriate regulatory authority for the proposal; and
- the EIS adequately addresses the issues identified in the EPA's letter dated 4 December 2018.

The EPA's letter dated 1 August 2018 stated that the EPA has no further interest in the proposal and no further consultation is required.

The EPA has no further comments on the proposal or on the Response to Submissions Report for the proposal.

If you have any questions in relation to this letter please contact Mr Mark Hanemann on 9995 6845 or via email at mark.hanemann@epa.nsw.gov.au

Yours sincerely
