Re: SSD-87041214 – EXH-114087738 – Corowa BESS EIS Stage

Dear Pragya Mathema,

Thank you for your referring the above proposal to Department of Primary Industries and Regional Development (DPIRD) - Fisheries.

DPIRD Fisheries has reviewed the scoping report for this proposal and has determined that no environmental assessment requirements have been triggered for matters under the *Fisheries Management (FM) Act 1994*. Therefore, we have no comment on this proposal at the EIS stage or any future stage of referral.

The reason for this is that there is no key fish habitat or FM Act listed threatened species on or in the vicinity of the subject site.

Please do not send any further stages of this proposal to DPIRD Fisheries for advice.

If you require any further information, please contact me on 0447 644 357 or carla.ganassin@dpird.nsw.gov.au.

Sincerely
