Dear Pragya

I refer to your correspondence dated 15 April 2026 inviting the Department of Primary Industries and Regional Development - NSW Resources to review the Environmental Impact Statement supplied and provide comments on Corowa BESS (the Project), submitted to Department of Planning, Housing and Infrastructure by Corowa Energy Pty Ltd (the Proponent).

NSW Resources has reviewed the information supplied in relation to the Project and based on the review has no specific comments in relation to *Mining Act 1992* considerations and raises no issues regarding the Project at this stage.

NSW Resources has no additional requirements to those in the draft SEARs and advises the Proponent to actively monitor the MinView map viewer at <https://minview.geoscience.nsw.gov.au> for mining title changes that may interact with this Project.

Sincerely
