Dear Rasmus,

Re: Advice on Response to Submissions (RTS) and Amendment Report- STEPHEN ROAD MULTI-LEVEL WAREHOUSE – 49-61 STEPHEN ROAD, BANKSMEADOW (SSD-65924461)

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on 28 April 2026, requesting advice on the RTS for STEPHEN ROAD MULTI-LEVEL WAREHOUSE – 49-61 STEPHEN ROAD, BANKSMEADOW (SSD-65924461).

FRNSW have reviewed the RTS and Amendment Report with the particular focus to Section 1.3 - Project Amendments. FRNSW note the responses relating to FRNSW previous advice in the Submissions Response Table (Appendix B), when implemented, would satisfy the recommendations made in our previous letter out concerning this matter dated 19 March 2025 (D25/27147). It is also noted that the proposed development is for general goods warehousing and does not include storage and handling of dangerous goods. FRNSW submit no further comments or recommendations for consideration, nor any requirements beyond that specified by applicable legislation at this stage.

For further information please contact the Fire Safety Liaison Unit, referencing FRNSW file number BFS26/3001. Please ensure that all correspondence in relation to this matter is submitted electronically to FireSafety@fire.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "C. Naisby".
