Advice on Amendment and Response to Submissions – State Significant Development

Proposal: Stephen Road Multi-level Warehouse, Banksmeadow (SSD-65924461)

Major Project reference: SSD-65924461

Received: 28 April 2026

Dear Rasmus,

Thank you for your referral seeking advice on the above State Significant Development proposal.

Heritage NSW notes that the proposed amendment consists of a redesign of the layout of the structures across the project site. The 2024 Aboriginal Cultural Heritage Assessment assessed impact across the entire project area therefore adequately addresses the proposed amendment. Heritage NSW advises the previously provided draft conditions (HMS ID 9484, dated 4 April 2025) are still appropriate.

Please note that the above comments relate only to Aboriginal cultural heritage regulation matters. If you have any questions about this correspondence, please contact Alison Lamond at Heritage NSW on (02) 9873 8500 or heritagemailbox@environment.nsw.gov.au

Yours sincerely,

Corey O'Driscoll
