**DESIGN MODIFICATIONS FOR DATA CENTRE
3-5 JOHNSTON CRESCENT, HORSLEY PARK**

Dear Ms. Fishburn,

Thank you for providing Transport for NSW (**TfNSW**) an opportunity to comment on Modification 1 (**Mod**) for the approved State Significant Development (**SSD**) for a Data Centre.

TfNSW has reviewed the submitted modification and advises that the proposed changes are internal and substantially the same as approved under SSD-63741210. Furthermore, the approved access, circulation and parking arrangements remain unchanged which would not have a detrimental impact to the surrounding classified road network.

As such, TfNSW has no further comment.

Should you have any questions regarding the above matter, please contact Brett Morrison, Land Use Planner, on phone 0448 890 598 or via email at development.sydney@transport.nsw.gov.au.

Yours sincerely,

Brendan Pegg
