**STATE SIGNIFICANT DEVELOPMENT APPLICATION
Advice on Amendment Report - SSD-80211463
164-194 William Street, Woolloomooloo**

Dear Sir/Madam,

I refer to the Department's Major Project Portals' notification for the above State Significant Development application.

The Department is advised that TfNSW, via Instrument of Delegation from the Secretary of Transport and from TAM (Transport Asset Manager of NSW), has been delegated to act as the rail authority for the heavy rail corridor, electrical supply authority, and Agent on behalf of the Land Owner; and to process the review of this proposal.

Given the distance between the subject site and the heavy rail corridor (including infrastructure), TfNSW (as Rail Authority and/or Electrical Supply Authority) raises no objection to the proposed development and raises no further comments.

Should further discussion be required, please contact TfNSW Town Planning Management via email to DA_sydneytrains@transport.nsw.gov.au.

Sincerely,
