Subject: Mixed use development with in-fill affordable housing, 164 - 194 William Street, Woolloomooloo (SSD-80211463) (City of Sydney) – Response to Submissions (RTS) & Amendment Report

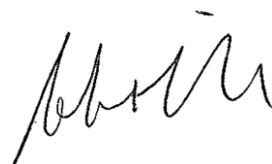

Dear Michelle Niles,

I refer to your request for advice sent on 12 June 2026 to the NSW Department of Climate Change, Energy, the Environment and Water (DCCEEW) Water Group about the above matter.

NSW DCCEEW Water Group has reviewed the RTS & Amendment Report and has no further comments as the proponent has adequately addressed Water Group's submission on the EIS, and the Amendment Report raises no new concerns.

Should you have any further queries in relation to this submission please do not hesitate to contact the Water Assessments team at [water.assessments@dcceew.nsw.gov.au](mailto:water.assessments@dcceew.nsw.gov.au).

Yours sincerely
