Dear Ms Fishburn,

Thank you for inviting Transport for NSW (**TfNSW**) to review and comment on the Environmental Impact Statement (**EIS**) for the abovementioned State Significant Development (**SSD**) application.

TfNSW has reviewed the EIS and has no requirements for the proposed development as it is unlikely to have a significant impact on the classified road network. Please note that Sydney Trains will provide a submission under separate cover for the subject SSD.

If you have any further inquiries in relation to this matter, please contact Narelle Gonzales, Development Assessment Officer on 0409541879 or by email at development.sydney@transport.nsw.gov.au

Yours sincerely,
