Dear Belinda,

Re: Advice on Amendment Report - SHOALHAVEN STARCHES EXPANSION MOD 26 - BOLONG ROAD, BOMADERRY (MP06_0228-Mod-26).

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on 1 July 2026, requesting advice on the Amendment Report for SHOALHAVEN STARCHES EXPANSION MOD 26 - BOLONG ROAD, BOMADERRY (MP06_0228-Mod-26). FRNSW have reviewed the Amendment Report with particular focus to Appendix B - Site Hazard Analysis – Rev 7 (7/10/25) text in red.

FRNSW recommend that the existing Fire Safety Study and Emergency Planning documentation (including the Emergency Services Information Package) be updated to incorporate the proposed modification and submit no further comments or recommendations for consideration, nor any requirements beyond that specified by applicable legislation at this stage. The FSS is to be updated and developed to the satisfaction of FRNSW prior to any further submission being made to FRNSW.

FRNSW notes that Appendix B - Site Hazard Analysis – Rev 7 (7/10/25) is a superseded version of the site document. FRNSW requests that the most current, consolidated version of the Site Hazard Analysis be provided to ensure the information submitted for assessment is complete and consistent.

For further information please contact the Fire Safety Liaison Unit, referencing FRNSW file number BFS26/4932. Please ensure that all correspondence in relation to this matter is submitted electronically to FireSafety@fire.nsw.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Richard Jay".
