Dear Mr Zhang

**HERITAGE NSW – ABORIGINAL CULTURAL HERITAGE REGULATION
SECRETARY'S ENVIRONMENTAL ASSESSMENT REQUIREMENTS (SEARS)**

Project: Gazcorp Industrial Estate - Modification 1 Revised Layout and Earthworks
SSD/SSI application no: SSD-5248-Mod-1

Thank you for requesting our input on the draft Planning Secretary's Environmental Assessment Requirements (SEARs) for the above state significant development project.

Heritage NSW has reviewed the available supporting documentation. We note the Modification 4.55(2) application, prepared by Urbis and dated 23 December 2020, outlines that the nature or extent of the approved development is not increasing (page 16).

While impacts to Aboriginal cultural heritage values may not be changing as a result of this modification, we recommend the Environmental Impact Statement (EIS) still acknowledges and summarises the Aboriginal cultural heritage values of the project area. The EIS also needs to refer to the approved Aboriginal Cultural Heritage Management Plan (ACHMP) and ensuring that the modification is managed following the ACHMP.

If you have any questions regarding these comments please contact me, at Heritage NSW, on (02) 6229 7089 or by email: jackie.taylor@environment.nsw.gov.au.

Yours sincerely
