Dear Ms Lucas

**Request for Secretary's Environmental Assessment Requirements (SEARS) for Hanson Tweed Sand Plant Expansion (SSD 10398)**

---

Thank you for your referral dated 25 November 2019 inviting SEARS input from the Heritage Council of NSW on the above State Significant Development proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Further, the site does not contain any known historical archaeological deposits. Therefore, no referral to the Heritage Council of NSW is required. The Department does not need to refer subsequent stages of this proposal to the Heritage NSW.

As the site is in the vicinity of several local heritage items, advice should be sought from the relevant local council.

If you have any questions regarding the above advice, please contact Gary Hinder, A/Senior Heritage Officer at Heritage NSW, on 9873 8547 or [Gary.Hinder@environment.nsw.gov.au](mailto:Gary.Hinder@environment.nsw.gov.au).

Yours sincerely
