Melanie Hollis
NSW Department of Planning, Industry and Environment

melanie.hollis@planning.nsw.gov.au

Dear Ms Hollis

**Mangoola Coal Continued Operations Project (SSD-8642) -
Response to Submissions**

I refer to your email of 19 December 2019 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

The following advice for you to consider is from DPIE Water and NRAR. Please note the Department of Primary Industries (DPI) and Crown Lands now provide a separate response.

NRAR recommends that the Draft Conditions include the following:

- Big Flat Creek is to be remediated and rehabilitated at the conclusion of the proposed extension and be conducted in accordance with *A Rehabilitation Manual for Australian Streams*, Cooperative Centre for Catchment Hydrology, Land and Water Resources Research and Development Corporation, 2000.

Any further referrals to DPIE – NRAR & Water can be sent by email to:
landuse.enquiries@dpi.nsw.gov.au.

Any further referrals to DPI & Crown Lands can be sent by email to: dpi.cabinet@dpi.nsw.gov.au
& lands.ministerials@industry.nsw.gov.au respectively.

Yours sincerely

Simon Francis
