Dear Ms Pon,

Randwick City Council response to Mod 3 application to modify the consent for Doncaster Avenue Student Accommodation (SSD 9649).

Dear Candice,

Randwick Council does not support the proposed change in use to allow for Graduates to occupy the Student housing complex given the discrepancies between the stated proposed modification and the plan of management submitted with the application which does not provide a definition of "Graduates". It is recommended that the applicant be required to provide a maximum time frame from the date of graduation in order to ensure that the use of the site is maintained as student accommodation.

It is further noted, the stated claim in the application that this is to allow for graduates inclusive of current students is questionable given the plan of management submitted with the application inconsistently suggests that the premises will be occupied by persons other than students and graduates. This effectively changes the nature of the original consent approval for student accommodation, therefore failing a key test under "Post consent provisions" in the Environmental Planning and Assessment Act.

Council concurs with the Departments RFI to the applicant seeking additional information pertaining to the definition of Graduates and plan of management.

Yours faithfully

Louis Coorey
