Dear Mr Herbert

**Re: Notice of Exhibition of application for Haerses Road Quarry  
(SSD 7737 – DA164-7-2005 MOD 3)**

---

Thank you for your referral dated 21 January 2020 inviting comments from the Heritage Council of NSW on the above State Significant Development proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Conditions requiring an archeological research design and archaeological involvement were previously recommended based on earlier information which was unclear around the site's archaeological potential and were recommended as a precautionary approach. These draft conditions were superseded in Dec 2017 (Mod 1) following the submission of additional information regarding the historical development of the site. That information concluded there are no archeological resources anticipated within the study area. Therefore, no further heritage comments are required.

The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

If you have any questions regarding the above advice, please contact Gary Hinder, A/ Senior Heritage Assessment Officer, at Gary.Hinder@environment.nsw.gov.au or on 9873 8547.

Yours sincerely
