Dear Madam,

**RE: Response to Submissions – SSD-7293 – Proposed Expansion of Sancrox Quarry.  
Lot 2 DP 574308, Lot 353 DP 754434, Lot 1 DP 720807 & Lot 1 DP 704890. Sancrox Road,  
Sancrox.**

I refer to your email dated 25 May 2021 requesting comment from Transport for NSW (TfNSW) in relation to the abovementioned Response to Submissions (RTS).

TfNSW responded to SSD-7293 for the proposed expansion of Sancrox Quarry by letter dated 27 November 2019 noting the following:

- *The construction of the new interchange by Roads and Maritime took into consideration the expansion of the quarry and the other planned industrial development in the area.*
- *It is noted that a Code of Conduct will be implemented to manage haulage operations.*

Thank you for the opportunity to now review the RTS. Please be advised that we have no objection to the proposal, and no further comment to make.

If you have any further enquiries regarding the above comments please do not hesitate to contact Cheryl Sisson, Development Services Case Officer or the undersigned on (02) 6640 1362 or via email at: [development.northern@transport.nsw.gov.au](mailto:development.northern@transport.nsw.gov.au)

Yours faithfully,
