Advice provided via the Major Projects Portal

Dear Melissa,

Advice on Response to Submission – State Significant Development – Sancrox Quarry Expansion Project (SSD-7293)

Thank you for your referral uploaded to the Major Projects Portal on 25 May 2021 seeking advice on the response to submission for the above state significant development (SSD) proposal.

In preparing the following advice we have reviewed and considered the following documents:

- Response to Submissions Report - prepared by Ethos Urban dated 20 May 2021
- Request for Submissions Report – Prepared by Department of Industry & Environment dated 18 December 2019

Since the review of the EIS the regulatory function for Aboriginal Cultural Heritage (ACH) has been transferred from BCD to Heritage NSW.

Heritage NSW has reviewed the responses to the BCD submission in Appendix B and the revised mitigation measures in Section 7.0 Table 3 of the Response to Submissions Report that are of relevant to ACH values. Heritage NSW is satisfied that the requirements of the BCD submission have been met. The revised mitigation measures are considered to provide adequate management of ACH values within the project area.

If you have any further questions in relation to this matter, please contact Claire Rayner – Archaeologist, Aboriginal Cultural Heritage Regulation North on 9995 6824 or email at Claire.rayner@environment.nsw.gov.au.

Yours sincerely
