RESPONSE TO SUBMISSIONS - KINGS PARK METAL RECOVERY AND RECYCLING FACILITY EXPANSION - 23-43-45 TATTERSALL ROAD, KINGS PARK

Dear Sir/Madam,

Reference is made to your correspondence dated 6 August 2021, regarding the abovementioned Application which was referred to Transport for NSW (TfNSW) for comment.

TfNSW has reviewed the Response to Submissions and raises no objections to the application, subject to the following requirements being included in any consent:

1. Prior to the issue of the first Occupation Certificate, the applicant is to prepare a comprehensive Employee Transport Plan in consultation with TfNSW to reduce the proportion of single-occupant car travel and increase the use of sustainable modes of transport including car sharing, public transport and active transport associated with the development. It is suggested that the plan should specify matters including, but not limited to, the following:
 - Identifying and implementing strategies that encourage modal shift as presented in Section 7.4 of the TTIA;
 - Include a strategy for communicating the Employee Transport Plan with staff and visitors and encouraging them to subscribe to its actions;
 - Ensuring pedestrian and cycling connectivity, end of trip facilities and bicycle parking in order to achieve the above outcomes;
 - Identifying the party or parties responsible for delivery and implementation of each element of the Employee Transport Plan; and
 - Including a high quality Travel Access Guide (TAG) which provides information to staff about how to travel to the site by sustainable transport modes. This should include information about public transport connectivity, end of trip facilities, and local pedestrian and cycling connections.

Additionally it is recommended that the Employee Transport Plan is evaluated (including staff travel surveys) and updated every two years. The applicant is to submit a copy of the

final Employee Transport Plan to Transport for NSW for consideration.

If you have any further questions please direct attention to Development Assessment Officer, Shoba Sivasubramaniam, on 0431446623 or email development.sydney@rms.nsw.gov.au. I hope this has been of assistance.

Yours sincerely,

Malgy Coman
Senior Land Use Planner
