**STATE SIGNIFICANT DEVELOPMENT 8845345 – LOT 200 DP 1192140 (NO.17) CROOBYAR ROAD, MILTON - BUDAWANG SCHOOL FOR SPECIFIC PURPOSES – RESPONSE TO SUBMISSIONS**

---

Dear Caleb

Transport for NSW (TfNSW) refers to the notification it received on 17 August 2021 regarding the above State Significant Development (SSD) application.

TfNSW has reviewed the additional information provided while focusing on the impact to the state road network (i.e. the Princes Highway and the Croobyar Road/Princes Highway intersection). TfNSW notes:

- its letter dated 2 June 2021 (refer to **Appendix 1**) advised that it did not object to the SSD application, in principle, subject to the suggested conditions outlined in Attachment 1 of that letter being included in any approval issued;
- the changes proposed do not alter the access arrangements or the number of students the application is seeking approval for; and
- it is progressing with plans for a proposed bypass of Milton and Ulladulla. A preferred corridor for the bypass is still being investigated and as such, it is unclear as to where connections with the local road network may be.

Having regard to the above, TfNSW position has not changed to that outlined in its letter dated 2 June 2021

If you have any questions please contact me on 0418 962 703.

Yours faithfully

Andrew Lissenden
