Dear Ms. Barnet,

**Environmental Impact Statement (EIS) for Major Projects – Heritage NSW – Aboriginal cultural heritage (ACH) - Padstow Resource Recovery Facility (SSD-10450) (Canterbury-Bankstown).**

Thank you for your referral dated 20 September 2021, inviting comments from the Heritage NSW on the above State Significant Development proposal with respect to Aboriginal cultural heritage.

Heritage NSW has reviewed Aboriginal Cultural Heritage Assessment (ACHA), prepared by McCardle Cultural Heritage Pty Ltd, on behalf of the proponent (Gow Street Recycling Centre), for the proposed liquid waste dewatering facility at their existing recycling centre located at 81-87 Gow Street, Padstow NSW 2211, dated 31 March 2021, with respect to Aboriginal cultural heritage. Heritage NSW notes that the proposed development will not impact Aboriginal heritage site or values, and as such, Heritage NSW has no additional comments in relation to the Padstow Resource Recovery Facility (SSD-10450).

Should you require any further information, please contact Nicole Davis, A/Senior Team Leader, Aboriginal Cultural Heritage Regulation - North on 4927 3156 or
