Dear Ms Thornton,

Request for Secretary's Environmental Assessment Requirements (SEARS) for the Yiribana Logistics Estate (SSD-10272349)

Thank you for your referral dated 23/09/2021 inviting SEARS input from the Heritage Council of NSW on the above State Significant Development (SSD) proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Noting the presence of the Bayly Park Estate close to, but outside the site, we have reviewed the supporting documents and concur that there is a low likelihood for historical archaeological relics to be present.

We recommend it is appropriate to include within the Construction Environmental Management Plan for the project an unexpected finds protocol consistent with s146 of the Heritage Act 1977 for the project.

The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW for comment.

If you have any questions regarding the above advice, please contact Dr Dragomir Garbov, Senior Maritime Archaeology Officer at Heritage NSW on (02) 9995 6066 or Dragomir.Garbov@environment.nsw.gov.au.

Yours sincerely

F. Barry
