Dear Ms Hawkeswood,

Bulli Seam Operations Modification 3 - Appin Mine Ventilation and Access Project (MP 08_0150 MOD 3)

I refer to the request for comments from the Environment, Energy and Science Group (EES) in the Department of Planning, Industry and Environment on the Submissions Report for the above.

EES has reviewed the Submissions Report prepared by Niche Environment and Heritage and notes further targeted surveys and assessments for the Spiked Rice-flower (*Pimelea spicata*) will be undertaken in response to EES's 4 August 2021 comments on the Biodiversity Development Assessment Report. EES has no other comments on the Submissions Report.

Should you have any queries regarding this advice, please contact Richard Bonner, Senior Conservation Planning Officer at richard.bonner@environment.nsw.gov.au or on 9995 6917.

Yours sincerely
