Dear Mr Koppers

SSD-17352813 Huntingwood Processing Expansion

Thank you for your correspondence dated 19 October 2021 providing the opportunity to review the environmental impact statement (EIS) for SSD-17352813 for the Huntingwood Processing Expansion proposal at 65 Huntingwood Drive, Huntingwood in the Blacktown local government area (LGA).

The NSW Department of Primary Industries (DPI) Agriculture is committed to the protection and growth of agricultural industries, and the land and resources upon which these industries depend.

DPI Agriculture has reviewed the EIS and notes the proposed development comprises construction of a new processing facility, new ingredients silos and storage buildings, and associated works.

DPI Agriculture has no concerns with the proposed development.

DPI Biosecurity and Food Safety has advised that the proponent will need to comply with the Australia New Zealand Food Standards Code and all applicable parts of the Food Act 2003. Further information can be obtained at the NSW Food Authority [website](#) and the relevant food safety requirements are available [here](#).

Should you require clarification on any of the information contained in this response, please contact me on 0429 864 501 or by email at landuse.ag@dpi.nsw.gov.au

Yours sincerely
