Dear Ms Burn

**Shoalhaven Starches Expansion - Modification 23 Gas Fired Co-generation Plant
(MP06_0228)
Modification Report**

I refer to your email of 21 October 2021 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

This modification application is for the construction and operation of a gas-fired co-generation plant including two natural gas turbines with a total power output of 60 MW.

DPIE Water and NRAR have reviewed the modification and found no issues associated with water and therefore have no comment to make.

Any further referrals to DPIE Water and NRAR can be sent by email to water.assessments@dpie.nsw.gov.au or to the following coordinating officer within DPIE Water:

Alistair Drew – Senior Project Officer
