Dear Ms Singh

**Austen Quarry (MOD 3) - Biodiversity offsetting (SSD-6084-Mod-3)  
Modification Report**

I refer to your email of 4 November 2021 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

The modification is to amend the approved biodiversity offsetting arrangements and staging arrangements.

The modification report has been reviewed and the modification relates to Bio-Conservational conditions. There is no net change to disturbance area or depth, etc, so there is no impact on water resources, therefore DPIE Water and NRAR have no comments.

Any further referrals to DPIE Water and NRAR can be sent by email to [landuse.enquiries@dpi.e.nsw.gov.au](mailto:landuse.enquiries@dpi.e.nsw.gov.au). or to the following coordinating officer within DPIE Water:

Alistair Drew, Project Officer - email: [alistair.drew@dpi.e.nsw.gov.au](mailto:alistair.drew@dpi.e.nsw.gov.au)

Yours sincerely
