

### New Wee Waa High School

The Department of Planning, Industry and Environment – Crown Lands has reviewed the proposal.

The New Wee Waa High School is proposed to be built on Crown land being Lot 124, 125 DP757125 and Lot 1 DP577294. As the proposal requires the use of these Crown reserves in order to implement the New Wee Waa High School proposal, the land will need to be acquired under the *Land Acquisition (Just Terms Compensation) Act 1991* (LJTCA Act). The proponent is currently in the process of acquiring the land.

Further information regarding Crown land and the LJTCA Act is located at the following link:-  
<https://www.industry.nsw.gov.au/lands/access/compulsory-acquisition>.

The New Wee Waa High School is proposed to be built on Crown land within the Gomeroi Native Title Claim Area. However the proponent has stated that they are engaged in ongoing discussions with the representatives of the land claimants, the Kamilaroi/Gamilaroi people and continue to seek guidance from the Wee Waa Local Aboriginal Land Council to ensure all due process and consultation is followed in relation to any future claims made.

If the proponent requires further information, or has any questions, please contact Brendan Thomas, Property Services Officer in Crown Lands, on (02) 6770 3106 or at [brendan.thomas@crownland.nsw.gov.au](mailto:brendan.thomas@crownland.nsw.gov.au).

Yours sincerely
