Dear Ms Morales

**First Building Bradfield City Centre (SSD-25452459)
(EIS)**

I refer to your email of 18 November 2021 to the Department of Planning, Industry and Environment (DPIE) Water and the Natural Resources Access Regulator (NRAR) about the above matter.

The proposed development comprises construction, fit-out and use of a building to be used for advanced manufacturing processes, including ancillary infrastructure and landscaping.

DPIE Water and NRAR have reviewed the EIS documents and all requirements have been adequately addressed by the proponent. The proposed activities are unlikely to have impacts to water and do not include interception or take of groundwater, therefore DPIE Water and NRAR have no comments on the proposed project.

Any further referrals to DPIE Water and NRAR can be sent by email to water.assessments@dpie.nsw.gov.au. or to the following coordinating officer within DPIE Water:

Alistair Drew, Project Officer - email: alistair.drew@dpie.nsw.gov.au

Yours sincerely
