**PACIFIC HIGHWAY (HW10) & TOMAGO ROAD (MR302): MP 07_0031-MOD-1 - S4.55
MODIFICATION – INCREASE OUTPUT OF ASPHALT BATCHING PLANT - 25-27
KENNINGTON ROAD TOMAGO**

I refer to the abovementioned S4.55 Modification referred to Transport for NSW (TfNSW) on 22 November 2021 for comment.

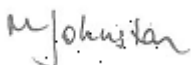

TfNSW key interests are the safety and efficiency of the transport network, the needs of our customers and the integration of land use and transport in accordance with Future Transport Strategy 2056.

Pacific Highway (HW10) & Tomago Road (MR302) are classified State roads and Kennington Drive is a local road. Council is the roads authority for both roads and all other public roads in the area, in accordance with Section 7 of the *Roads Act 1993*.

TfNSW has reviewed the information provided and raises no objection to or requirements for the proposed development as it is considered there will be no significant impact on the nearby classified (State) road network.

On DPIE determination of this matter, please forward a copy of the Notice of Determination to TfNSW for our records. Should you require further information please contact Masa Kimura, Development Services Case Officer, on 02 4908 7688 or 0407 707 999 or by emailing development.north@transport.nsw.gov.au.

Yours sincerely
