PARRAMATTA NSW 21

**Attention:** Jeffery Pang

Dear Jeffery,

**SSD-13855453: Lot: Lot: 1 DP1022013, Lots: 1-3 DP1206485 and Lot: 22 DP866857, 1130 Gooloogong Road, Grenfell, Grenfell Poultry Breeding Farm**

Thank you for referring the abovementioned development application (DA) via the NSW Major Projects Planning Portal on 9 December 2021 inviting comment from Transport for NSW (TfNSW).

TfNSW understands the proposed development includes the construction of four (4) poultry breeder / rearing farms consisting of 10 poultry sheds per farm, accommodating a maximum of 570,000 birds across the property. The proposed development also includes the proposed construction of a new intersection comprising a new BAR / BAL intersection and shoulder widening on Gooloogong Road, a classified (Regional) road.

TfNSW's preliminary review of the application is generally supportive of an intersection upgrade at Gooloogong Road however further information in the form of a concept plan is required for the continued assessment. It is requested that the concept plan of the proposed infrastructure upgrade be submitted with the following design considerations:

- Design speed of Gooloogong Road (i.e. 110km/h),
- Accommodate the design vehicle (i.e. a A-Double) for both passing through movements and turning movements, and
- Topographical constraints (e.g. embankments, stormwater management, vegetation, etc.).

Please forward a copy of the supporting documentation outlined above to TfNSW via [development.west@transport.nsw.gov.au](mailto:development.west@transport.nsw.gov.au). Following the submission, TfNSW will review the application as a whole and provide formal advice related to roads and traffic operations. If you have any questions or wish to discuss this matter further, please contact Kylie-Anne Pont on ph. 0481-068-175.

Yours faithfully

**Howard Orr**
