

Mr James McDonough
Department of Planning, Industry and Environment

Via: Major Projects Portal / Email

Dear Mr McDonough,

Re. Dalswinton Sand and Gravel Quarry,

I refer to your request of 22 December 2021, for advice regarding the Dalswinton Sand and Gravel Quarry. The Resources Regulator has reviewed the request and has no further comments.

Regulatory requirements if approved

The Resources Regulator may undertake assessments of the mine operators' proposed mining activities under the *Work Health and Safety (Mines and Petroleum Sites) Act 2013* and Regulation as well as other WHS regulatory obligations.

Background

The Mine Safety Inspectorate within the Resources Regulator is responsible for ensuring the mine operators' compliance with the Work Health and Safety (WHS) legislation, in particular the effective management of risks associated with the principal hazards as specified in the *Work Health and Safety (Mines and Petroleum Sites) Regulation 2014*.

Contact

Should you require any further information or clarification, please contact the Office of the Executive Director (ED.ResourcesRegulator@planning.nsw.gov.au)

Yours sincerely,

Peter Day
Executive Director
Resources Regulator
