Dear Rebecka Groth,

Re: Advice on Response to Submissions (RTS) – Unanderra Liquid Waste Treatment Facility (SSD-SSD-8304)

Fire and Rescue NSW (FRNSW) acknowledge correspondence received on the 21 January 2022, requesting advice on the RTS for Unanderra Liquid Waste Treatment Facility (SSD-SSD-8304).

FRNSW have reviewed the RTS along with the Supplementary Preliminary Hazards Analysis (SPHA) and make the following comments:

- 1) FRNSW are satisfied with the SPHA.
- 2) FRNSW are satisfied that a comprehensive Fire Safety Study (FSS) would be a condition of consent.

For further information please contact the Operational Liaison and Special Hazards Unit, referencing FRNSW file number BFS22/1011. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely,
