Heritage NSW has reviewed the Appendix W - Aboriginal Cultural Heritage Assessment Report, 104-116 Regent Street, Redfern - Student Accommodation (SSD-12618001) (City of Sydney), in relation to Aboriginal cultural heritage and notes the following.

The following recommendations were documented in the ACHAR. Heritage NSW that the recommendations have been developed after considering the archaeological context, environmental information, consultation with the local Aboriginal community, and the findings of the Archaeological field survey and the predicted impact of the planning proposal on archaeological resources. It is recommended that:

1. No further assessment or works are required to be undertaken for the study area. If during the project, unexpected finds or human remains, please follow recommendation 2.
2. In the event that unexpected finds occur during any activity within the study area, all works in the vicinity must cease immediately. The find must be left in place and protected from any further harm. Depending on the nature of the find, the following processes must be followed:
 1. If, human skeletal remains are encountered, all work must cease immediately and NSW Police must be contacted, they will then notify the Coroner's Office. Following this, if the remains are believed to be of Aboriginal origin, then the Aboriginal stakeholders and Heritage NSW must be notified.
3. A copy of this report should be forwarded to all Aboriginal stakeholder groups who have registered an interest in the project.
4. Interpretive signage has been recommended by the local Aboriginal community to indicate traditional ownership and previous use of the land by Indigenous populations.

Heritage NSW concurs with the findings of the ACHAR that no further assessment is required to be undertaken for the study area, as such, Heritage NSW does not need to be consulted in relation to this project moving forward with respect to Aboriginal cultural heritage.

Please contact me directly if you require any further information. I will unload this email to the MPP for your records.

Kind Regards
Nicole Davis
