Dear Sir/Madam,

Reference is made to your correspondence dated 1 February 2022, regarding the abovementioned application which was referred to Transport for NSW (TfNSW) for comment.

TfNSW has reviewed the submitted application and raises no objections, based on the consideration that additional traffic generation is not likely to adversely impact the classified road network.

If you have any further questions please direct attention to Development Assessment Officer, Ms Shoba Sivasubramaniam, on 0431446623 or email development.sydney@transport.nsw.gov.au. I hope this has been of assistance.

Yours sincerely,
