

### Buronga Landfill Expansion

The Department of Planning and Environment – Crown Lands has reviewed the proposal.

No Crown waterways are contained within the project footprint, however, two Crown road lots adjoin the project footprint, LOT 1 DP 1037845. If the proposal requires the use of these Crown roads in order to implement the Buronga Landfill Expansion proposal, the land will need to be acquired under the *Land Acquisition (Just Terms Compensation) Act 1991* (LATJC Act).

Further information regarding Crown land and the LATJC Act is located at the following link: <https://www.industry.nsw.gov.au/lands/access/compulsory-acquisition>.

It is also noted that Lot 197 DP 756946 and Lot 212 DP 756946 are currently the subject of an undetermined Aboriginal Land Claim (ALC22090), which may limit how the land can be used.

However, whilst we acknowledge this claim is undetermined the recommendations provided by Aboriginal Land Claim Assessment Team suggest this claim be refused (LBN21/890).
