Dear Mr Glasgow

Thank you for the request for advice for the NSW Environment Protection Authority (EPA) input to the Secretary's Environmental Assessment Requirement (SEARs) for the Winter Sports Resort located at 2-4 Tench Avenue Jamisontown (SSD-10475), Penrith City Council LGA.

Based on the information provided, the proposal does not require an environment protection licence under the *Protection of the Environment Operations Act 1997*. Furthermore, the proposal is not being undertaken by or on behalf of an NSW Public Authority nor are the activities other activities for which the EPA is the appropriate regulatory authority.

In view of these factors, the EPA has no further interest in the proposal and no further consultation is required.

If you have any questions about this advice, please contact Jarrod Grimston on (02) 9895 6602 or via email at Jarrod.Grimston@epa.nsw.gov.au

Yours sincerely
