RE: Cedar Mill Hunter Valley SSD-39121472

I refer to your request for the Environment Protection Authority's (EPA) requirements for the environmental assessment (EA) in regard to the above proposal received by EPA on 18 March 2022.

Based on the information provided, the proposal does not appear to require an environmental protection licence under the *Protection of the Environment Operations Act 1997* (POEO Act). Furthermore the EPA understands that the proposal is not being undertaken by or on behalf of a NSW Public Authority nor are the proposed activities for which the EPA is the appropriate regulatory authority.

The EPA does not require any follow-up consultation and Cessnock City Council should be consulted as the appropriate regulatory authority for the POEO Act in relation to the proposal.

If the proposal changes and an environment protection licence is required under the POEO Act the EPA must be consulted.

In carrying out the assessment, the proponent should refer to the relevant guidelines as listed in Attachment A and any relevant industry codes of practice and best practice management guidelines.

Yours sincerely

.....

Peter Jamieson
